

A vibrant, stylized illustration of Alice in Wonderland. Alice, a young girl with long blonde hair and a red dress with a large bow, is falling through a dark, swirling vortex. Above her, the Cheshire Cat with its characteristic striped body and wide, toothy grin floats. The scene is filled with floating playing cards (hearts, spades, diamonds), a pocket watch, a top hat, a bottle labeled 'ME', a key, and a teacup. The background is a deep red with golden stars and swirling patterns.
